## Recommendation letter for Moussa

Dear colleague -

I hope this finds you well.

I'm writing to you to **strongly endorse** Moussa for a technical role in your company.

We are a social venture that supports young aspiring talents from non-European countries in finding a challenging tech job in Germany. We run a **highly selective** digital boot camp for full-stack developers, data scientists/engineers and software automation testers. Over the course of the program, we identify candidates whose talent, passion and work ethic significantly stand out from their peers.

**Moussa is an outstanding Frontend engineer who ranks in the top 10% of our peer group.**

**Communication skills: Strong** – validated in multiple rounds of 1:1 interviews

**Technical skills: High & up to date** – on par with candidates in Germany

**EU 'Blue Card' eligibility: Yes** - University/degree fully recognized - very smooth visa process

**Maturity: Mid-Level - (3.5 years experience)**

Please feel free to reach out to me personally at [emma@joinimagine.com](mailto:emma@joinimagine.com) or via [LinkedIn](#) in case of any questions.

Warm regards & herzliche Grüße -

Emma Felsenstein | Co-Managing Director

**Imagine Foundation e.V. | Talent without borders**

We are a community of Tech & HR professionals who believe in the power of diversity. We coach hundreds of engineers each year and connect our most promising Fellows with leading firms in Europe.
